

# CatWorldly Home Hazard Checklist

## CatWorldly

Use this for a room-by-room safety sweep. It is not a substitute for veterinary or local safety advice.

### Kitchen

- Secure cleaning chemicals.
- Check stovetop, hot pans and sharp tools.
- Keep trash covered.
- Remove unsafe foods from counters.

### Bathroom and laundry

- Close toilet lids when needed.
- Store medication, cleaners and cosmetics securely.
- Check washer, dryer and hampers before use.
- Remove loose strings, floss and hair ties.

### Living areas

- Hide cords or use cord covers.
- Remove tiny objects that can be swallowed.
- Anchor unstable shelves or tall furniture.
- Check recliners and sofa mechanisms before closing.

### Windows and balconies

- Use secure screens.
- Do not rely on cracked windows.
- Block unsafe balcony gaps.
- Keep climbing routes away from open windows.

### Plants and decor

- Check plant safety before bringing plants indoors.
- Move breakable or sharp objects.
- Avoid dangling ribbons, string lights or yarn.

### Emergency reminder

Call a veterinarian or emergency clinic for breathing trouble, collapse, repeated vomiting, inability to urinate, seizures, suspected poisoning, severe pain, major injury or fast-changing symptoms.
